# THE PRINCE CONSORT

EST-1888

**FUNCTIONS GUIDE** 

Where old-school British pub charm meets Valley energy...adventure awaits!

The outside playground at The Prince, complete with bar, stadium screen, retractable roof and pizza kitchen.

One level up, escape into a wonderland of excitement and eclectic adventure.

La La Land
encapsulates three
unique areas, each
available to hire.
Otherwise, go big and
reserve the entirety of
the space for a truly
impressive experience.

Next door to The Prince, discover a space exuding the flavours, feels and frivolity straight off the beaten track from Mexico, inspired by Aztec folklore.

Down the alley and beneath the streets, Greaser was once the original cellars to the Prince Consort, circa 1888.

A melting pot of live music lovers, fancy drink loathers and everything in between.
